

*Harvest the seeds  
of innovation.*

Italy brings a 500-year heritage of creativity and innovation to the farm equipment industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result? The largest variety of sophisticated agribusiness machinery in the world, created to perform in the most demanding conditions and guarantee greater efficiencies in the field – and on your bottom

line. Not surprisingly, Italy is the manufacturer of choice for the world's farm equipment wholesalers and lessors. Because, whatever you make, Italian machinery will make it better.
