

Bury your competition.

Italy brings a 500-year heritage of creativity and innovation to the earthmoving equipment industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result? A full range of sophisticated, reliable earthmoving equipment designed to perform in the toughest conditions and guarantee greater efficiencies in the field – and on your bottom

line. Not surprisingly, Italy provides more than \$1 billion a year in earthmoving equipment to more than 140 countries worldwide. Because, whatever you make, Italian machinery will make it better.
