

Gain a clear advantage.

Italy brings a 500-year heritage of creativity and innovation to the glass industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result is an approach that combines sophisticated glass-making technology, ease of use, outstanding after-sale service and readily available parts – all of which guarantee greater efficiencies on your production line and your bottom line. Not surprisingly,

worldwide demand for Italian glass-making equipment has grown by 23% since 2000. Whatever you make, Italian machinery will make it better.
