

*Keep your factory a step ahead.*

**Italy brings a 500-year heritage of creativity and innovation** to the leather and tannery industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result? Solutions that fit your needs like a pair of custom-made shoes and guarantee greater efficiencies on your production line – and your bottom line. It's no wonder that Italy supplies more

than 50% of the world's shoe and leather goods machines and over 80% of its tannery machinery. Whatever you make, Italian machinery will make it better.
