

Our leadership is set in stone.

Italy brings a 500-year heritage of creativity and innovation to the marble and stone machinery industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result is a smarter approach that combines leading-edge technology, customized solutions and responsive service to meet your specialized needs and guarantee greater efficiencies on your production line – and

your bottom line. Not surprisingly, Italy has earned a reputation as a world-class producer of equipment ranging from processing machines for drilling, cutting and polishing to CNC and handheld machines. Because, whatever you make, Italian machinery will make it better.
