

*Squeeze more out
of plastic and rubber.*

Italy brings a 500-year heritage of creativity and innovation to the plastics and rubber processing and molds industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result? Sophisticated turn-key solutions that meet the most exacting needs and guarantee greater efficiencies on your production line – and your bottom line. Not surprisingly, Italy has earned a reputation as the world's

leading provider of manufacturing solutions for the plastic and rubber industry. So, whatever you make, Italian machinery will make it better.

To learn how we can work together, call **1-888-ITALTRADE** or visit us at www.italtrade.com.

Plastics & Rubber Machinery Association

Turning innovation into productivity.
