

*Weave innovation into the
fabric of your company.*

Italy brings a 500-year heritage of creativity and innovation to the textile industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result is a sophisticated approach that combines high tech equipment, customized solutions, and responsive service to meet your specialized needs and guarantee greater efficiencies on your production line – and your bottom line. In fact, the results of a

recent survey of American clothing manufacturers showed that Italian-made equipment helped them maintain their competitive edge. So, whatever you make, Italian machinery will make it better.
