Italy brings a 500-year heritage of creativity and innovation to the woodworking industry. When you buy Italian machinery, you're entering a partnership with the world's most highly skilled designers, engineers and manufacturers. The result? Sophisticated woodworking equipment that meets your specialized needs and guarantees greater efficiencies on your production line – and your bottom line. Not surprisingly, Italy has carved out a reputation as a manufacturer of world-class

equipment for uses ranging from sawmills to industrial processing of solid wood to finishing processes. Whatever you make, Italian machinery will make it better.
